Ref: 1. Office Memorandum dt:21.09.2021 issued by the Ministry of Power.  
2. Email dated:24.09.2021 received from CERT-Transmission (PGCIL).  
3. CMD/TSTRANSCO approval dated:21.10.2021.

\* \* \*

1. The Ministry of Power (MoP), Government of India has informed that, the October 2021 is marked as National Cyber Security Awareness Month (NCSAM-2021) with a view to educate the public and private sector and to increase cyber resilience of the Nation. The National Cyber Security Coordinator of National Security Council Secretariat of India (NSCS) has advised that as part of NCSAM-2021, a variety of activities are to be planned like CISO conferences, Seminars, workshops, Quiz competitions, Distribution of posters, leaflets and Badges, Social media promotion of Cyber Security, Cyber Awareness video clips, Radio talks etc., including in local languages.
2. The Powergrid Corporation of India Limited (CERT-Transmission) has requested TSTRANSCO to organize events to increase cyber security awareness and to communicate an activity report for sending to the Ministry of Power.

3. The CMD/TSTRANSCO has accorded approval to display banners (as per samples attached) in Zonal and Circle Offices for creating awareness on Cyber Security to the employees of TSTRANSCO.
4. Therefore, the Chief Engineers/Zones and Superintending Engineers/OMC Circles are requested to arrange to display the Banners in Office premises creating awareness on Cyber Security to the employees.
5. The additional information on Cyber Security Awareness Month (NCSAM-2021) can be accessed on TSTRANSCO website (<https://www.tstransco.in>).

Encl: Sample Banners.
