3. Government of Andhra Pradesh, vide GO Ms.No.1, dated.25.02.2012, has informed that in Sl.No.2(9) they observed that Departments are adopting diverse interpretations of the existing G.Os relating to treatment of price adjustment from 0 to 5%. After careful consideration, the Government of Andhra Pradesh has decided that hence forth all the departments should operate variation in rates only to the extent where it is above 5% over the estimated rates. Thus if the price excess is 10%, payment will be made only to the extent of 5% (10%-5%) since the contractor factors into his original bid his risk of absorbing the first 5% increase.
4. After careful consideration, APTRANSCO accorded approval and amendment to clause No.7 (vi) of T.O.O.Ms.50, dated.10.06.2008 & Clause No.II (vi) of T.O.O.Ms.No 87, dated.29.07.2008 as follows.
