Amount in Words: Thirty Four Lakh Five Thousand Nine Hundred Seventeen Rupees Sixty Six Paise

NOTE: CGST and SGST amounts shall be shown in separate columns in the vendor invoices

Note: Devolution of Empty Transformer oil barrels and the removed material from Sl.No. 7 to 15 of the Schedule shall be arranged by the concerned Superintending Engineer, to TLC Stores of TSTRANSCO departmentally or can be utilized since credit shall not be given by the repairer for retaining them. The repairer shall transport the removed material from Sl.No. 7 to 15 and empty oil drums along with Transformer and shall handover to the consignee.

4. PRICES: The above prices are firm and inclusive of packing and forwarding charges. The repairer shall not be eligible for any extra charges in respect of minor accessories even though they are not mentioned. All other parts, which are not shown at credits, are to be devoluted to TLC Stores. Loading & unloading of the PTR has to be attended by the repairer, at their work shop without any extra cost.

5. TAXES AND DUTIES: The above prices are inclusive of:

a. (i) GST @ 18%

b) TAX RECOVERIES:

i) Labour Cess @ 1% on total amount of the on the item Nos. from Sl.No.1 to 6 and from Sl.No.16 to 24 of the Purchase Order Schedule shall be collected from the repairer

ii) GST-TDS @ 2 % on the amount of work exclusive of GST shall be collected from the repairer and the same shall be remitted to the concerned Tax department.

6. FREIGHT AND INSURANCE:

i) The above prices are inclusive of Freight and Insurance charges for transporting of the Power Transformer from site to the works (to & fro) of the repairer, for overhauling.

ii) The above Power Transformer including oil and all accessories are to be transported to the allotted Substation through Hydraulic trailer after overhauling at a minimum cost of Rs.5,14,500.00 excluding return Transit insurance and Taxes.

iii) The repair bills including the return transportation charges as per actuals with return Transit insurance & Taxes from works site to the allotted EHT Substation at approved rates shall be submitted to the Superintending Engineer/OMC/Nalgonda for arranging payment. The concerned SE/OMC to whom the PTR allotted is authorized to finalize the return transportation mileage and **receipt of the material for which credit shall not be given by the repairer**

iv) Arranging the insurance shall be responsibility of the repairer. The Insurance policy shall cover the period of overhaul and storage for 60 days after repairs at site. The policy taken should contain a provision for extension to cover further storage and erection at TSTRANSCO's cost.

Continued....6

7. TERMS OF PAYMENT:

i) 100% payment shall be paid within 45 days after commissioning of the overhauled Power Transformer at allotted SS duly certified by the consignee at allotted sub-station subject to **Clause 10 i.e. PERFORMANCE GUARANTEE** of this purchase order.

ii) Payments shall be made by the Cheque / by way of Electronic Fund Transfer / RTGS from TSTRANSCO funds.

Bank account details for payment through RTGS system:

Bank Account Name	:	K.K.RaoEngg.WorksPvtLtd,Hyderabad.
Name of the Bank	:	Union Bank of India
Name of the Branch	:	Nacharam Branch
City	:	Hyderabad
Account No.	:	103113100000089
IFSC No.	:	UBIN0808733

iii) The payment of the overhauled bill shall be admitted only on certifying the aspect of commissioning of the PTR and **receipt of the material for which credit shall not be given by the repairer**. The certificate shall be issued by the concerned SE/OMC, for whom PTR shall be re-allotted after overhaul.

8. GUARANTEE:

i) The Company shall give performance guarantee for the materials replaced/rectified by you for a total period of **36 months from date of commissioning** of the overhauled power transformer.

ii) In case, the overhauled PTR fails **within** guarantee period mentioned in clause (i) above, the overhauled PTR should be guaranteed for a total period of **42 months** from the date of commissioning after overhaul and performance Bank Guarantee shall be extended accordingly.

iii) The company shall rectify thermal faults, attend oil leakages, problems of high operating winding & oil temperatures, problem of increasing dissolved gases etc., if any observed in the overhauled PTR up to **36 months (i.e. within guarantee period)** from the date of commissioning of the PTR, after overhauling works. The Overhauled PTR should be guaranteed for a total period of **42 months** from the date of commissioning and performance Bank Guarantee shall be extended accordingly.

iv) If the repairer fails to respond to the intimation of TSTRANSCO **within 1 week**, to attend the defects during Guarantee period, TSTRANSCO shall arrange for rectification of the defects through any other agency at the cost and risk of the repairer and recover the cost of rectification from pending Bills/ Bank Guarantees of the repairer.

v) To & fro transportation and repair cost of failed PTR during guarantee period has to be borne by the repairer.

Continued....7

9. SECURITY DEPOSIT :

i) The Security Deposit (SD) of Rs.2.50 lakhs in the form of Bank Guarantee has to be submitted by the repairer within 15 days from the date of receipt of Purchase Order for overhaul of PTR. This is in addition to the performance guarantee. The Bank Guarantee shall be valid for a period of **two years** and with a claim period of six months thereafter. The Bank Guarantee has to be extended in case of extension of completion period of overhaul. This will not be waived, in any case, under any circumstances. The amount shall be forfeited, if the repairer fails to fulfill the Terms of contract / order.

ii) Manufactures registered as SSI Units with Industries Department, Government of Telangana State are not exempted from payment of SD, as the repair work is not considered as a supply item.

10. PERFORMANCE GUARANTEE: The Company shall furnish performance Bank Guarantee (PSBG) for 5% of Total value, including all taxes and return transportation charges on Rs.100/-Non-judicial stamp paper covering the period of **36 months from date of commissioning** guarantee plus **six months** claim period over and above the guarantee period before payment becomes due. In absence of performance Bank Guarantee, only 95% of the bills shall be processed initially and balance 5% shall be paid after completion of the guarantee period i.e., 42 months from the date of commissioning of overhauled PTR.

11. INSPECTION: The Company have to intimate this office at least 15 days in advance, as and when propose to conduct the tests, for deputing TSTRANSCO's representative to witness the Tests. Final Inspection (Test) reports shall be submitted, duly entering Minutes of Meeting (MOM) indicating the tests conducted, comments on Test results and any balance works to be attended. Without the MOM by the inspecting officer, the Test reports shall not be considered for approval and issue of dispatch instructions. Three copies of the test certificates containing results of all tests carried out, shall be submitted to the Chief Engineer/Transmission, for approval, before the equipment is going to be dispatched. The final testing of the Power Transformer after overhauling shall be conducted, duly assembling the radiators, conservator tank and filling the total quantity of Transformer oil.

12. TEST AND TEST CERTIFICATES: All the routine tests in accordance with relevant ISS/BIS/IS-2026, **Oil DGA for all Parameters** shall be carried out on the equipment in the presence of TSTRANSCO's Engineer. Three copies of the test certificates shall be furnished to this office immediately, after the tests and get them approved before payment becomes due. The equipment shall not be dispatched without obtaining the approval for Test certificates.

13. COMPLETION PERIOD:

i) The repair of the Power Transformer shall be completed within **One month** from the date of receipt of the Purchase Order. However, the company is requested to advance the repairs and complete the same as early as possible in view of the urgent requirement of Power Transformers.

ii) In case, if the overhauled PTR fails within guarantee period of **36 months from date of commissioning**, appropriate amount for the items which causes the PTR to fail will be deducted from the outstanding bills.

Continued....8

14. PACKING: The Supplier/Manufacturer/Repairer shall provide such packing for the material/ equipment as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Technical Specification for material / equipment. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, humidity etc. during transit and open storage.

15. DESPATCH INSTRUCTIONS:- The dispatch instructions shall be communicated separately, after completion of overhauling works and successful completion of Testing and approval of Test certificates considering **Clause 13 i.e. INSPECTION.**

16. UNDERTAKING: The Repairer should furnish an undertaking as per Schedule-XV of Specification 1st cited with reference to the welding, oil filtration, Faults, Inspections (4th and 5th stage) and etc.,

17. ADDITIONAL NAME PLATE: Immediately after completion of overhaul works and test, the repairer shall affix on the Transformers, just below the manufacturers name plate (Metallic) / any suitable place of suitable size with the following details punched on it:

- (i) Name of the Repairer:-
- (ii) Tested on:
- (iii) Delivered on:
- (iv) Purchase Order No:

18. PENALTY FOR LATE DELIVERY: The time for and the dates for delivery mentioned in the overhaul order shall be deemed to be the essence of the contract. In case of delay, in delivery of equipment/overhaul of PTR/Transport of PTR to destination, whatever be the reason, the TSTRANSCO may at its option, demand and recover from the Repairer an amount equivalent to **half percent of the value of the contract for every week of delay or part thereof, subject to a maximum of 5% of the total value of the contract (Net value).** This right under the law including the right to cancel the contract, forfeit the deposit and /or recover damages for breach of the Contract.

- i) The date of receipt of the equipment/materials at the destination in good condition will be taken as the date of delivery.
- ii) For penalty, the number of days of delay would be rounded off to the nearest week and calculated accordingly.
- iii) Materials/ Equipment, which are not of acceptable quality or not conforming to the Specification would be deemed to be not delivered.
- iv) The date of receipt of the last component of the Transformer shall be reckoned as the date of delivery for the purpose of calculation of penalty for delay in delivery.

19. FORCE MAJEURE: The Repairer shall not be liable for delay or for failing to supply the material / equipment for reasons of 'Force Majeure' such as acts of God, acts of Public enemy, acts of Government, fires, floods, strikes, lockouts strikes and etc., in works of manufacturers of proprietary items as specified by the TSTRANSCO.

The contractor shall within 10 days from the beginning of such delay notify to the TSTRANSCO in writing the cause of delay. The TSTRANSCO shall verify the facts and grant such as extension of time as facts justify.

Continued.....9

20. LOSS (or) DAMAGE: The Repairer is responsible for the safe custody of Power Transformer during the overhaul and delivery of the overhauled Power Transformers, in good condition, at the destination. The Repairer should acquaint themselves of the conditions, for handling and transporting of the Power Transformer to the destination. The company shall include and provide the security and protective packing of the goods, so as to avoid damage in transit.

External damages or shortages that are prima-facie the results of rough handling in transit or due to defective packing will be intimated within a fortnight of the receipt of the equipment/materials. Internal defects, damages or shortages of any integral parts which cannot ordinarily be detected on a superficial visual examination though due to bad handling in transit or defective packing will be intimated within 2 months from the date of receipt of the equipment/materials.

In either case, the defective or damaged equipment/ materials should be replaced by the contractor free of cost to the TSTRANSCO. **With respect to transformer oil, which was handed over to the repairing agency, the repairing agency, M/s K.K. Rao Engineering works, Hyderabad shall handover the PTR with satisfactory oil parameters results, failing which, amount will be recovered from the bills as per approved rates of TSTRANSCO for removed oil.**

If no steps are taken within 15 days of receipt of intimation of defects or such other reasonable time, as the TSTRANSCO may deem proper to afford, the TSTRANSCO may without prejudice to its other rights and remedies cause to be repaired or rectified the defective material or replace the same and recover the expenditure incurred therefore from the deposit such as Earnest Money, Security and Performance or other amounts available with TSTRANSCO or by resorting to legal action.

21. PAYING AUTHORITY: The Company shall submit the bills to the Superintending Engineer/OMC/ Nalgonda who is the Paying Officer for the subject Power Transformer after receipt of the overhauled Power Transformer at the allotted substation, in good condition, duly certified by the consignee.

22. JURISDICTION: All the disputes arising out of this order shall be decided by a panel of arbitrators as follows.

Sl. No.	Value of claim	Panel of Arbitrators
i	Disputes involving amount up to Rs.10,000/- and below	Superintending Engineer of TSTRANSCO, Other than the circle to which dispute arises.
ii	Disputes involving amounts from Rs.10,000/- to Rs.50,00/- .	Any Chief Engineer of TSTRANSCO.
iii	There shall not be any reference of disputes for the value exceeding Rs.50,000.00 to arbitration. The parties shall approach the competent Civil Court having jurisdiction, if any such disputes arises.	

Continued.....10

23. PRESENCE OF YOUR ENGINEER AT THE TIME OF ERECTION: The Company has to depute company's authorized Person/Engineer at the time of erection, to ascertain any shortages of oil or any short supply of materials or unattended works, which are to be rectified at the place of allotment SS, within one week of intimation.

24. GENERAL: All correspondence of general and Technical nature shall be addressed to this office and Superintending Engineer/OMC/Nalgonda.

Except where otherwise agreed to in this detailed order, all the Terms and Conditions stipulated in the Specification No. TST – 01/2017 is binding on the Company and they shall form part of this contract.

25. ACKNOWLEDGEMENT: Please acknowledge the receipt of this order with your confirmation of acceptance by you. The additional copy enclosed may please be returned with your signature in token of your acceptance.

Encl: As above
