9. FORCE MAJEURE:

- a) The Supplier will not be liable for forfeiture of its performance security, penalty for late delivery, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- b) For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, wars or revolutions fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- c) If a Force Majeure situation arises, the supplier will promptly notify the Purchaser in writing of such condition and the cause thereof within 15 days. Unless otherwise directed by the Purchaser in writing, the Supplier will continue to perform its obligations under the Contract as far as is reasonable in practice, and will seek all reasonable alternative means for performance not prevented by the Force Majeure event.

10. TERMINATION FOR DEFAULT:

- a) The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in part:
 - i) If the Supplier fails to deliver any or all of the Materials / equipment within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser.
 - ii) If the Supplier fails to perform any other obligation(s) under the Contract.
 - iii) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
- b) In the event the Purchaser terminates the Contract in whole or in part, the Purchaser may procure, upon such terms and in such manner, as it deems appropriate, Materials / equipment or services similar to those undelivered, and the Supplier will be liable to the Purchaser for any excess costs for such similar Materials / equipment or Services. However, the Supplier will continue performance of the Contract to the extent not terminated.

11. TERMINATION FOR CONVENIENCE:

- a) The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination will specify the termination is for the Purchaser's convenience, the extent to which performance of the supplier under the Contract is terminated, and date upon which termination becomes effective.
- b) However the Materials / equipment that are complete and ready for shipment within thirty (30) days after the supplier's receipt of notice of termination will be accepted by the Purchaser at the Contract terms and prices.

12. WARRANTY:

The material are guaranteed for satisfactory performance for a period of 18 months from the check measurement date in Form-13 i.e. receipt of material/equipment at TSTransco Stores or at site in good condition i.e., check measurement date in Form-13 against defects proved to be due to faulty design of material/workmanship. If during this period any of the material is found defective they shall be repaired or replaced by you free of all costs to the TSTRANSCO. To and fro freight charges shall, however be to your account only.

13. GOODS AND SERVICES TAX:

The Goods and Services Tax is payable on Ex-works+ Freight+Insurance+ Packing and Forwarding charges.

Taxes as indicated in the price schedule at paragraph (2) are applicable. You shall agree, that if at any time, any GST report to have been paid has not been paid, or a lesser amount has been paid, or on subsequent adjudication or appeal or revision it is decided that a lesser amount is payable, you shall refund such amounts irrespective of time lag.

14. **STATUTORY VARIATIONS:**

Any variation up or down in statutory levy or new levies introduced **after tender calling date** under this specification will be to the account of TSTRANSCO provided that in cases where delivery schedule is not adhered to by the supplier and there are upward variation / revision after the agreed delivered date the supplier will bear the impact of such levies and if there is downward variation / revision the TSTRANSCO will be given credit to that extent.

In cases where delivery schedule is not adhered to by the supplier and there are upward variation/ revision after the agreed delivery schedule, the supplier will bear the impact of such levies and if there is downward variation / revision, the credit to that extent shall be passed on to TSTRANSCO.

No statutory variation is applicable for the transaction between the Supplier and their sub-vendors/sub-supplies i.e., for the bought-out items and taxes & duties of such items shall be inclusive in the bid price only.

In cases where the bidder assumes less tax rates and become lowest, upward variation of taxes will not be considered.

15. **DESPATCH INSTRUCTIONS:**

The dispatch instructions will be communicated to you while approving the Test Certificate furnished, as and when the materials are inspected you have to dispatch the materials to Stores/Site TSTransco, as in the Dispatch Instructions. The materials shall be dispatched by Road Transport through reliable transport agency with freight prepaid and duly insured. The particulars regarding destination, consignee and paying authority will be furnished when the materials are ready for dispatch.

Materials, which are not of acceptable quantity or are not conforming to IS specified in Tender Documents, or are not as per approved drawings, would be deemed to be not delivered.

The prices indicated in Clause (2) above shall remain unaltered whatever be the destination.

16. **INSPECTION:**

- a) The TSTRANSCO may at its option get the materials inspected by a third party if it feels necessary. In such case, inspection charges shall be borne by supplier.
- b) The accredited representative of the TSTRANSCO shall have access to you or your sub-contractor's works at any time during the working hours for the purpose of inspecting the manufacture of the plant and equipment and or testing, any selected samples from the material going into the plant and equipment. You shall on such occasions provide proper and adequate facilities for testing the selected samples at any time. Adequate notice of 15 days shall be given for deputing the departmental representatives for witnessing the tests on the equipment. The equipment should not be dispatched without final inspection of the tests or specific waiver thereof from this office.

- c) No material shall be dispatched from its point of manufacture before it has been satisfactorily inspected and tested, unless the purchaser in writing waives off the inspection. In the later case also, the materials shall be dispatched only after satisfactory testing for all tests specified as per IS has been completed and Test Certificates are approved by purchaser.

The Acceptance tests shall be carried out on all the materials offered, by selecting the samples as per relevant IS specified, at random. If any sample drawn does not pass the acceptance tests, the sample will be rejected and another sample of the same material from same lot shall be selected at random to repeat the "Acceptance tests".

If the second sample also fails in the same test, the entire materials of that item in that lot offered for inspection will be rejected. The acceptance of any quantity of material shall in no way relieve the supplier of his responsibility for meeting all the requirements of this specification and shall not prevent subsequent rejection if material is later found to be defective.

17. CONTRACT DRAWINGS:

Three sets of the detailed drawings of the equipment ordered giving full particulars of sectional views to give a clear idea of the construction and working of the equipment shall be furnished for approval before commencement of production process. Approval by the TSTRANSCO to the supplier's drawings shall not relieve the supplier of his responsibility for correctness thereof or from results arising out of error or omission therein or from any obligation or liability under the contract. Any supplementary drawings necessary to permit the complete design of the installation prior to receiving the equipment shall also be supplied. One set of drawings and instruction manuals may be sent along with each equipment at the time of dispatches. Copies of drawings and manuals shall also be sent to other offices as indicated below.
